

Re: Docket# 98N-1038, "Irradiation in the Production, Processing, and Handling of Food."

I want the FDA to continue prominent labeling of food that has been treated with irradiation. The label should be conspicuous and include the logo for irradiation. 7/1/99 APR 30 PT 30

Additional comments: This could not be more important to me and my family. If democracy does exist in this country, the consumer must know what the food goes through!
